**Hilton Suites**

**2300 Featherstone, Auburn Hills, 48326**

## Speaker

Kurt Metzger, Detroit Area Community Information System (D-ACIS) Director.

## Topic

Metzger will discuss the demographic and economic trends that have taken place in the region and Oakland county over the past five years.

## Who Should Attend?

Those involved in Management, Sales, Strategic Planning, Decision-making and those interested in the demographic trends and shifts in the region.

Join us for lunch and learn about the trends that affect our businesses and our lives. Helping us make sense of data is Metzger's expertise. When he last spoke to our Chamber (5 years ago!) we learned that Auburn Hills had the lowest median age of any city in Oakland County. We now refer to Auburn Hills as a college town. What will we learn on November 11th.
