

Business Boot Camp

Funneling 2 Profits

How to get referrals for life by only attending four major networking events a year.

2 hour interactive boot camp/workshop

PRESENTER:
Tim Green
Referral Institute

Are you completely satisfied with the results you obtain at every networking event you attend?

Are the only two goals you are able to accomplish at a networking event 1. finding the food and 2. getting out as fast as you can?

Do you feel uncomfortable attending networking events?

Program Goals:

- Discover four powerful steps that supercharge your networking-resulting in continuous qualified referrals!
- How to get referrals for life by only attending four major networking events a year.
- Two goals you have to set at every event to receive maximum results (and it's not what you think!)
- The two major mistakes everyone is making at networking events guaranteed to lead to disaster and what you must avoid at all costs.
- A very simple six step process that will funnel you to unlimited profits.

What are they saying?

"Tim Green can truly inspire and motivate a crowd and his knowledge on referral marketing training is no less than OUTSTANDING. I have seen many, many presentations over the years and Tim is in a class of his own as a presenter; I consider him to be one of our number one referral marketing trainers for Referral Institute.

—Ivan Misner, NY times Bestselling author and Founder of Referral Institute.

"I've met and spoken with many of the top speakers, NY Times Bestselling authors, and media celebrities the last five years in my travels, and Tim ranks right up there with the best I've ever seen."

—Tony Rubleski, #1 Amazon Bestselling Author; President, Mind Capture Group

"As a professional conference speaker and the International President of the Global Speakers Federation, I get to see a lot of speakers deliver presentations all around the world. Your presentation is one of the most inspiring and motivational presentations I have seen in a long time."

—Lindsay Adams CP, President Global Speakers Federation
