

Brought to you by:

A resource for businesses to evaluate health insurance plans and services.

MI Benefit Advisor is focused on understanding your current health insurance circumstance, analyzing your needs, and providing you with detailed health plans and money-saving tips. The goal of the website is for you to have a fuller understanding of the drivers that influence your health plan.

What is your health insurance situation?

MIBenefitAdvisor.com can help find the best insurance plan to fit the needs of individuals, sole proprietors and employer groups.

Individual

Sole Proprietor

Group

MIBenefitAdvisor.com-

Educate: Understand current health insurance needs. MI Benefit Advisor breaks down the insurance process by displaying and defining what goes into a plan.

Compare: Compare your current plan with other options and see the effects of plan components on your premium.

Quote: Receive detailed health plans and money-saving tips by requesting information or a quote directly from the site.
